CONDITIONS OF SALE:

 CROP CONSONANCE CORP warrants that this material conforms to the chemical description on the label and is reasonably fit for use as directed hereon. CROP CONSONANCE CORP neither makes, not authorizes any agent or representative to make, any other warranty of FITNESS or of MERCHANTABILITY, guarantee or representation, expressed or implied, concerning this material.

2. Critical and unforeseeable factors beyond the control of CROP CONSONANCE CORP prevent it from eliminating all risks in connection with the use of chemicals. Such risks include, but are not limited to, damage to plants and crops to which the material is applied, lack of complete control, and damage caused by drift to other plants or crops. Such risks occur even though the product is reasonably fit for the uses stated hereon and even though label directions are followed. Buyer and user acknowledge and assume all risks and liability (except those assumed by CROP CONSONANCE CORP under 1 above) resulting from handling, storage, and use of this material.
